

Virtual Weekend Registration Requirements:

"A Wedding is a Day..."

"A Marriage is a Lifetime!"

The Catholic Engaged Encounter Program is designed for couples to attend in-person, in a peaceful setting away from daily distractions. In-person weekends provide you the time to focus on one another with minimal interruptions to foster the personal connections that cannot be obtained on-line.

Although we encourage couples to make every effort to attend the in-person weekend, we understand this is not always possible.

For this reason, CEE also offers our program virtually. The virtual weekend program content is identical to the in-person program. However, it is typically only offered twice each year and is specifically meant for couples who can not otherwise complete the program by attending in person.

Q - Do we qualify for registering to a virtual weekend?

A – You may qualify to attend virtual weekend providing you meet at least one of the following requirements:

- Either fiancée is living far away, perhaps in another country or jurisdiction
- Travel exceeds a 3 hour drive from the nearest location where in-person weekends are offered
- Transportation is not available to attend in-person
- Either fiancée has a medical or physical disability which impacts your ability to attend in-person
- No in-person weekend is offered before your wedding date
- The cost of an in-person weekend is beyond your means*

**To ensure couples experience in-person weekends wherever possible, special consideration in providing financial assistance for registration is offered on an individual basis to those in need*
